

4th Grade News

October 5-9, 2015

Picture day is October 9. You may hand in your order envelope anytime.

Leaf Collections are due October 7.

Friday is Library day, so please return your school library books on Friday.

Bible – We will continue the unit about the writing of the Bible.
Memory work –Books of the New Testament due by **October 14**.

Reading – Our story this week is about a pioneer girl who showed great courage in the face of danger. The vocabulary quiz will be on Thursday. Watch for the list of words to come home on Tuesday.

Math – We will be finishing the Unit on Strategies for Adding and Subtracting Numbers. **The test will be on Friday.** Watch for study materials to come home on Wednesday. That will allow two nights to study for the test. Congratulations to all the students for completing the addition Math Grid. We will begin multiplication Math Grid. The students have login information for the Math textbook and Xtra Math written on a notes page in the back of their assignment notebooks. They can access either of these for Mrs. Wynia's wiki. We have done this during computer time, so the kids should know how to do it. The Math textbook has a game that can be used to practice math facts.

Spelling – Lesson 4.1.5 plus Aaron Kamstra . The trial test will be Wednesday and the final test will be on Friday.

Science – Before starting a Social Studies unit, we will be scientists and do a variety of experiments. We will also be reading "Time for Kids" magazines.

Language – We will be finishing the capitalization rules early this week. Our next unit is on prepositions.
