

4th Grade News

September 21-25, 2015

Mid-terms will be sent home Friday.

Early out on Wednesday.

Bible –We will be finishing up this section of the Bible stories – The birth of Samuel through the Rejected King Saul. **They will have a test over this material this Friday;** They have a review sheet over this material and they should have reviewed in school for this as well. There also is an online review for this on our wikipage under “Study Guides for Tests.”

Memory work –The Books of the Old Testament must be said on or before Sept. 24. We are also working on Ps. 27:1-3. I’m not exactly sure which verse, but try to spend a few minutes review this each night. It shouldn’t take long to review if they are also working on it at school.

Reading – Story: “Family Pictures.” Special skills: author’s purpose and fact and opinion. **Vocab quiz on Thursday.** They should have the words in their reading notebooks.

Math – We are working on Adding and Subtracting Whole Numbers. Please keep reviewing those basic facts at home a few minutes. Thanks.

Spelling – Sorry about last week. This week’s lesson is 4.1.4 plus Ryan Groeneweg.

Science – We will be finishing up our unit on plants. Test will be most likely Wednesday of next week.

Language – We are still working on learning our prepositions. A’s through O’s due Sept. 23. We are also working on capitalization rules and then will add when not to capitalize
